Clubman of the year

Results of all the 10 club competitions will be recorded for posterity on the club's website. A running total of who does best will be kept and the coveted title of Clubman of the year will be awarded at the end of the season. Points will be awarded so:- 1 point for playing; 5 points for winning, 3 points for second and 2 points for 3rd. There may be an exciting plastic trophy.

Calendar for 2010

This year we are running 10 tournaments specifically for Club members. Entry fee for these is free as part of your subscription. If you want to bring a friend to play one day this can be done for £2 a friend. All competitions will have prizes for winners and runners up (T shirts, wine, beer, chocolates etc).

All Sunday competitions will be a 3 round snake with the top two teams playing a final (where appropriate). A melee is 3 rounds only with each player having three different partners and is settled by number of games won followed by points aggregate. Each game 45 minutes and if unfinished score after 45 minutes is the result (unless tied then play on). All start 11am. Register before the start on the web if you can. Hopefully Refreshments will be on hand. Organiser initials attached.
