League news
Clubman of the Year
Spanish Petanque
Schools Boules

Next event is Next Sunday starting at 11am. It's a melee where you play with 3 different partners and your individual score is used to find the winner. Please be early so we can draw the teams and start at 11. Prizes for the first 2.

At a committee meeting in July it was decided that future club events would have a Tournament director who would be the sole arbiter & organiser. There would be only 3 rounds in club events (no finals) and no handicapping although the TD could implement it in extreme circumstances. TD's are 25th July Paul S, 3rd August MW, 29th August RC, 7th Sept Paul M, 26th Sept MW.

We'd also like your views on holding some winter competitions.

Membership 2010

Not a great response to the "are you getting this email?" of last issue so this is going out by snail mail to all past and present members. By August we should have the membership up to date.

League News

The team is 3rd in the league but have games in hand over the teams above them. Because of the backlog of league game some may have to be played on a Tuesday evening. There will still be half the terrain available for club members. You could always come along to support the team and watch some good players in action. More at www.northernpetanque.co.uk

Clubman of the year

Many on 6,5,4,3,2,1 but 4 players doing well. 5 events left. Anyone can win.

1	Paul M	20
2	Roy	14
3	Malcolm	12
4	Chris	8

Spanish Petanque

The club has received a flyer from an organisation offering petanque holidays in Benalmadena, Spain, near Malaga airport. £399 for 2 people in a 4 star B&B apartment. Date is early November. Contact Secretary for more details.

Schools Boules

An event at Wetherby on 14th July had 44 children playing petanque. In the girls final Bruntcliffe High beat Westerton Primary & in the boys final Asquith Primary beat Bruntcliffe High. Probably will be repeated next year.
