June 2010

## Next Event

Next organized event is Sunday 27<sup>th</sup> June. Mixed Pairs Competition. Play with your partner or find a partner on the day. 3 rounds then a best two final. Prizes and medals will be awarded. Please turn up before 11am so we can organise the draw. More details on Home page of website.

## Committee Meeting

There will be a committee meeting in July probably 13<sup>th</sup> after the tuesday session. Anyone with any claims on the club for items bought should send in their claims & receipts; anyone with any good ideas should send them to the secretary as soon as possible so an agenda can be set in advance of the meeting. We will be discussing the progress we've made in 2010 and planning for the next season.

## Membership Survey

This is our 3<sup>rd</sup> Newsletter of the summer and we'd like to know if it's being received. We email it to all those who have given us an email address and with this issue only we are posting it to people for whom we only have a postal address. If you're one of these can you give us your email address. If you are getting this by email let us know by emailing [secretary@leedspetanque.co.uk](mailto:secretary@leedspetanque.co.uk) Thanks. Next issue we'll report back on how many members we have.

## Schools Boules

On 14<sup>th</sup> July at Wetherby petanque club there will be a petanque tournament between 12 Leeds schools. Each school is sending 2 boys and 2 girls. This came about because the schools wanted to try it and they contacted Leeds Petanque club for advice. We passed it on to the region as it was more than we could cope with at Glen Road but Paul S & Richard M have been going into local schools recently to show them the rules and give them some tips. Junior section anyone? Junior Open Day? Junior competition one day?
